* NOTE : Exams will be distributed to ALL students in the FIRST room listed on the exam schedule for an exam. EVERY student should report to that room for the distribution of the exams, even if the room is identified as a computer exam room and the student is not taking the exam on computer.

As in the past, students taking their exams on computer should report to the room assigned for computer exams ½ hour before the time that the exam is scheduled to begin. If more than one room is scheduled as a computer room for an exam, students may take their exam on computer in either room.
